Drink a highball at nightfall
Be good fellows while we may;
For tomorrow may bring sorrow,
So let us now be gay.

Be glad and your friends are many,
Be sad and you lose them all
Then, there is none to decline your
nectar'd wine
And alone you must drink life's gall.

Here's to the friends we class as old,
And here's to those who are new;
May the new grow to us old
And the old ne'er grow to us new.
